Architecture. Robotics. Art. Science. Technology. The Oak Park Education Foundation (OPEF) brings experts into K-8th grade classrooms to work hands-on with students and teachers. Its award-winning programs include Vex Robotics, Architecture Adventure, LEGO-based Geared Up, Science Alliance and Art Start. Learn more at www.opef.org.

Wednesday Journal will make a donation to the Oak Park Education Foundation for specially designated new or extended subscriptions during the months of December and January. Subscriptions can be purchased online at oakpark.com (please indicate "OPEF" in the comment section of your order), by mailing in the form below or by calling 708-613-6308.
